

# Nehru groups of institution signed MoU for IT training & placement

**Coimbatore | February 22, 2019:** INFOTEST LAB has signed MoU to setup IPCoE (Industrialization of Project Center of Excellence)

in collaboration with Nehru Group of Institution (NGI).

Dr. P Krishnakumar, CEO, Nehru Group of Institutions Coimbatore and Mrs. Preethi S, Managing Director, Infotest IT Services Bangalore

signed the MoU, in the presence of Mr. B. Lawrence Burer, Director-Industry Relations of NGI and Mr. Sambandam J, Digital Quality Assurance Director Infotest Lab.

The MoU will empower the NGI and Infotest Lab jointly deploy the Industrial Project Opportunities and setup the facility

adjoining the Institution to leverage the current wave of prospects “Digital, Agile-DevOps, Automation and Software Test Lab” to all students and endure to bring Industrial projects from both onshore/Offshore clients. Infotest Lab’s ambition to provide students are equipped with the Digital competencies and keeping them abreast and work with client projects at NGI Premises after their graduation.
